## ROTARY ACTION GROUP FOR COMMUNITY ECONOMIC DEVELOPMENT

In communities around the world, families struggle to meet their needs for food, shelter, work, and economic security.

### OUR MISSION

The mission of the Rotary Action Group for Community Economic Development (RAGCED) is to be a source of knowledge and expertise that helps Rotarians plan, implement, and manage impactful and sustainable economic development projects that create lasting change in poor and underserved communities.

## INVESTING IN COMMUNITIES TAKES MANY FORMS

### ENTREPRENEUR SUPPORT

- Building the capacity of local leaders, organizations, and networks to support economic development in poor communities
- Developing opportunities for productive work and improving access to sustainable livelihood
- Empowering marginalized communities by providing access to economic opportunities and services

### TRAINING & SKILLS DEVELOPMENT

- Building the capacity of entrepreneurs, social businesses, and locally supported business innovators
- Addressing gender or class disparities that prevent access to rewarding work and access to markets and financial services.

### ENVIRONMENTAL IMPACT

- Increasing access to renewable energy and energy-efficiency measures to create sustainable and economically resilient communities.
- Empowering communities to develop practical environmental and conservation skills for economic gain

### DISASTER PREPAREDNESS

- Strengthening communities' economic resilience and adaptive capacity in response to environmental and climate-related hazards and natural disasters
- Developing and supporting community-based emergency preparedness services to improve economic resilience.

The RAGCED global network of experts is ready to help you create successful, impactful and sustainable projects that create opportunities by investing in communities!
